

あこがれの富士から箱根へ。

Available mobile application "YAMAP", which is specialized for mountaineers. Cover our trail/track on 2 maps, Mikuni area (Kanagawa, Yamanashi, Shizuoka) and Kintoki area (Kanagawa, Shizuoka).

For downloading YAMAP, click here. ** Japanese only **

You can reach to an inspected report (Japanese only) by YAMAP writers. Can see some beautiful pictures, as well.

四季折々の富士箱根トレイル

Our Aim.

- * We have unique and sensitive environment related to all local flora and fauna, which must save and protect long lasted.
- * Try to keep understanding our life style comes from living with great environment, history and culture, which is essential for next generations. And also let those importance know to general.
- * We treat visitors could be comfortable and could have great experience.
- And it is worthwhile to communicate with visitors.
- * To focus for growing up local manufactures and skills which inherited from generations to generations, also mind and promote for more growth with many people by many ways.

Rules on trail

- * Take all rubbish with you
- * Keep walk on track always
- * Mind and consider to fauna, flora and other walkers.
- * Use toilet on the track (recommend to take a few disposable toilet)
- * Prepare your stuff and behave as mountaineers
- * Take responsibility and keep safe anytime on the tracks
- * Not allowed fire anywhere on the tracks
- * Not allowed riding mountain bike, motor bike and other motors. Mind environment and keep safe walkers always.
- * Use a GPS systems, map applications and paper maps.

Also Mind Them

- **Trail/track conditions would be changed, possibly some part would not be able to access. Check and make sure it on our web and weather report, as well.
- **Toilets (yellow dots on map), is available on late April to late November only.
- **No grocery shop along trail. Prepare manchies and enough water before you start.
- **Some part on the track has no mobile reception. Recommend to download our map or bring a map. Also available to use YAMAP, is specialized for mountain use. Access and download from QR on left-top on our map..
